PATCHOGUE-MEDFORD SENIOR SINGS NATIONAL ANTHEM AT ORGANIZATIONAL MEETING

HAUPPAUGE, N.Y. – Patchogue-Medford High School student, Victoria “Tori” Lawrence was selected to sing the National Anthem at the 2016 Organizational Meeting of the Suffolk County Legislature. Hundreds of elected officials, family of the officials and other invited guests were in attendance to watch all 18 Legislators take their oaths of office for the new term.

Ms. Lawrence is a senior and is an active member of the Music Department. She is an avid participator in the FIRST Robotics team and a member of All-County Jazz. She sang the national anthem in Waterloo, Canada for a Robotics Regional and intends to study chemical engineering when she goes to college.

“Our schools in Suffolk County are among the best in the country” said Deputy Presiding Officer Rob Calarco. “And our students are among the most talented and brightest. Thank you to Tori for singing so beautifully on this important occasion.”
